

# *Jishukan High School's "English Village"*

Jishukan High School is going to hold its seventh "English Village" project. The aim of this project is to enhance our students' English ability and give them a unique international experience. We would like to hold the event during our regular class hours on two days so that all the 2<sup>nd</sup> year students of Jishukan High School can join.

We are looking for English speakers who would be interested in helping our students use English as an effective tool for communication. Additionally, we hope this will be a good chance for all involved to have a fruitful cross-cultural experience.

## ■ Time & Place:

Time: **Dec. 9(Wed.)** and **Dec. 11(Fri)**, 2015 at 10:00 – 15:00

*You are welcome to join us on both days, but it is possible to join on either one of the two days.*

Place: Jishukan High School

*Access: Get off at Daigakume station if you take Atsumi line. You can see our school right across the street from Aichi University. Pass the eastern gate and find the main gate to enter the complex. Meet us in front of the entrance of the main building. See attached the maps.*

## ■ Eligibility:

You must be from another country and must speak English. (You don't have to be a native speaker of English.)

## ■ Kind of activities:

You will have short 25-minute conversations in a small group with our students (approx.4-5 students in each group). There will be four conversation sessions in the morning and another four sessions in the afternoon after lunch break. Every 25 minutes the members will switch. You can talk about any topic as long as it is all done in English.

We predict these sessions will be a bit of a struggle for our students, but we believe this kind of activity will be an effective and enjoyable way to get them excited about learning English and more motivated. You can share your country, culture, language, history, personal belongings, hobbies, family, etc. We want to encourage all participants involved to make this as fun and exciting as possible!

## ■ A monetary reward will be offered: (Bank account is necessary)
