

# Guide Tour for Sites Related to Prince Takeko

You may think there is no relationship between Higashi-Mikawa and the Tale of the Bamboo Cutter. Indeed, there are many tradition related to Emperor Monmu who implies Bamboo in his name., and some of them relates to the Tale. This time, we would like to take you around sites related to Prince Takeko, the son of Monmu, whose story is similar to the one of a character in the Tale.

Date: 10th November

**Advance application required**
