Ejx 2020 Participants' Testimony

Belinda Johnson

University of Western Australia

"This program gives a really good overview of East Java and Indonesia as a whole country, so it's engaging and informative for me. It was really amazing, I hope one day I can visit East Java in the future."

Arisandi Tri Hardiansyah

Universitas Trunojoyo Madura

"The topics were so good, the experience and the journey during this program were really amazing. I can't wait to spread the knowledge that I got to society. I hope that I can join with this kind of event again."

Patrick Yves Mendones

Far Eastern University

"I really enjoyed all of the Ejx sessions and I have learned so many things. Every topic was full of interesting thoughts about East Java and also Indonesia in general. The insightful speakers were so kind and intuitive to any questions that we might have. I was able to expand my social network and gain new friends from different countries. Thank you so much Ejx 2020!"
